Due to Year 8 Wellington Camp taking place this week there is no news from Tania this week other than to report they are having a very breezy time in Wellington!

A huge congratulations to Josh van Asch for having his piece of writing published in the Write On magazine. Write On magazine is published twice a year and is full of poems, stories and articles by young writers aged 6–19 from around New Zealand This is a great achievement. Well done Josh.

The Take Off

The ignition switch on,
The Rolls Royce starts with a roar,
Taxied out to the runaway
I steady myself, slowly pushing the throttle forward,
The plane starts rolling,
Gaining speed down the runaway
50 knots, the tail started rising,
100 knots, the planes lifted off the ground,
I'm in the air,
Thousands of Feet above the ground.

**Looking forward to seeing
everyone at the picnic on the 13th
December!!**

**Seddon School
Community Picnic**

Friday December 13th 2019
5pm-8pm

Come join us at the school grounds for a fun family picnic!

This is a chance for all ex pupils, families, ex staff/ employees and members of the Awatere community to come and farewell our departing principal Miss Tania Pringle and our retiring long term teacher Mrs Lyn Knappstein. Please bring your food and a chair or rug!
